

## Cedar Ridge Park: Trail Entrances

We are making changes to serve you better at Cedar Ridge Park. The City is enhancing the natural area trail system with improvements to trail entrances. A small staircase will be installed behind Cedar Ridge Creative Centre, providing a connection to the trail system below. Other entrances to the trail system will receive improved signage, at both the Tingle Cres access and the Kirker Ave access, along with some changes to landscaping.

Construction Start:  
August 2019

Expected Completion:  
Late 2019
