

EARLYON VIRTUAL

Locating Resources for Health, Housing and Employment

The workshop will help you answer the following questions related to:

HEALTH

Where do you find reliable information about urgent health matters?
Where do I find a doctor who is accepting new patients?
I am stressed most days, where do I get help without being judged?

HOUSING

Where do I find affordable housing in Toronto or nearby areas?
Which social housing units have a shorter waiting list?
Are there resources for me to own my home?

EMPLOYMENT

No one is replying to my application, what is wrong?
Where do I find job fairs so that I could meet with employers?
Is volunteering really useful to find employment?
