

Federal All Candidates Meeting -Scarborough- Guildwood

- Given the fact that Canada is an oil producing nation, why are we being gouged for gasoline, food, packaging clothing and other oil related by-products? I don't want false promises because I know that you won't bite the hand that feeds you, so what is your party realistically purposing to do in the near future?
- ***Begin conservative candidate first, then I would appreciate responses from the other candidates*** What is your parties commitment to these demonstrators who lost their civil right of lawful assembly during the G20 and also to the people and businesses of Toronto who suffered damages and loss of rights? We did not benefit from the overspending on beautification projects in the Huntsville area.
- Given the fact that the Canadian Chief of Police Association, the Canadian Bar association, the Canadian Criminal Association, the YWCA and the Canadian Criminal Justice Association all support the Gun Registry. The Question is do You? Yes or No?
- We as Canadians, I believe are sick and tired of so many elections. Yet and still we face many of the same problems election after election. Is our system broken? And if so, how do you intend on fixing it?
- What is your stance on wind turbine generation?
- Question to the candidates as to how they are going to provide more help to the Ethnic groups? With their clear agenda for the Middle East Issues.
- Regarding Women's issues: Why have all the programs and money been cut? (Question for all parties) what are they going to do to re-instate the funding in this riding and across Canada?
- Are you in favour of a three or four year fixed term for an election rather than the way it is now?
- Oil prices have hit the roof, it's obviously the oil companies that have gauged the public, What can you do about it if you are elected and form the government?
- Former Liberal Finance Minister John Manley has recently praised corporate tax cut initiatives, as in his words Canada is, "Barely in the middle of the pack" within the OECD. Can we afford to raise the rate back to 2010 levels?
- Scarborough has a huge immigrant community. What do you do to understand their needs/ priorities?
- If a private members bill were introduced to parliament seeking to provide better protection for the unborn, would you seriously consider supporting it?
- Conservative government wants to spend 23 billion to buy F-35 Fighter Jets and cut corporate tax by 18% when the poor, and the homeless rely on "Food Banks". What would you do if you are elected and form government to the poor, the homeless and the disadvantaged people?
- I have seen my heating and hydro costs rising out of control and want to know if you are elected, what is your plan to help us seniors remain in our homes on a fixed low income?
- For John McKay, Why was childcare not introduced under the liberal Government in 1993 as was promised in the Red Book?
- Mr. Konkel: if lowering corporate taxes creates jobs, why is the unemployment rate still 8%?

- Do you favour "Cap and Trade" or "Carbon Tax" as a way to reduce greenhouse gas emissions, and why?
- Why do you personally feel you are the best candidate in this riding? - I'm not interested in Party script!
- Do you support Mr. Harpers plan to form an office of Religious Freedoms?
- How will your party work with the provinces to end poverty in Canada within the decade?
- Why is the economy still going down, while gas prices keep rising?
- What are all Candidates views on the Youth Programs and Funding for here and across Canada?
- John McKay: You have a colleague who keeps tabs on gas price increase. Why is there not more action taken to reduce gas prices especially now with the extra tax H.S.T.? Gas prices impacts just about everything and will continue to drive inflation.
- What do the candidates think that it will take for the next parliament of Canada to work if it is another minority government of Canada? Could it work for four years with teamwork?
- G-20 Accountability, why was Elizabeth May left out of all talks when it comes to this election?
- I am a senior and for having done my work and paying taxes, what am I getting in return, whereas Q Jumpers and refugees make over 2500 a month. How do you justify this anomaly?
- How would your government deal with continuous urban sprawl and the continuing dependence of the automobile?
- P.C. Mr. Konkel: The government is "wasteful and mismanaging taxpayers money" on G-20/G8 conference over 20 billion on artificial lakes and raised sidewalks in a rural township. How does the P.C. Government justify it and how does Harper ask us to trust this government with our taxpayer's money?
- Were the votes counted from the students at York University? Why didn't they vote in their home riding? The election rules weren't followed according to The Star.
- John McKay: Coalition: "what did the Liberal/NDP coalition offer the Bloc to support your coalition government?"
