The Dignity Memorial Trauma and Grief Management Workshop

The Dignity Memorial Trauma and Grief Management workshop is an interactive program designed to provide information, tools and resources to aid in the recovery of grief or traumatic loss. The workshop is available through the Dignity Memorial network of professionals and aids in identifying key personnel and community healing strategies in the aftermath of loss or traumatic grief.

Participants who would benefit from attending this workshop include:

- Educators
- Volunteer responders
- Civic and community leaders
- Clergy

Workshop Overview

Strategies for Strengthening Resilience in Families and Communities

- Assisting communities and families cope with loss and traumatic events
- Identifying community resources in your own community
- Key strategies for growth and healing after traumatic loss-what *you* can do

How will participants benefit from attending the workshop?

Upon completion of the workshop, participants will be able:

- To recognize how individuals respond to loss over time
- To discuss communication, support and intervention strategies for individuals, families and communities in times of crisis

Length of workshop

Each workshop is 3 hours in duration; (1) morning and (1) afternoon session. Morning sessions start at 9 A.M. Afternoon sessions start at 1:30 P.M.
