

Military Trail

Local Road Resurfacing

Expected Project Start Date: August 2009

Expected Project Completion Date: October 2009

The City of Toronto, Technical Services, Design & Construction will be resurfacing Military Trail from Highcastle Road west to the Highland Creek Bridge.

Design Details

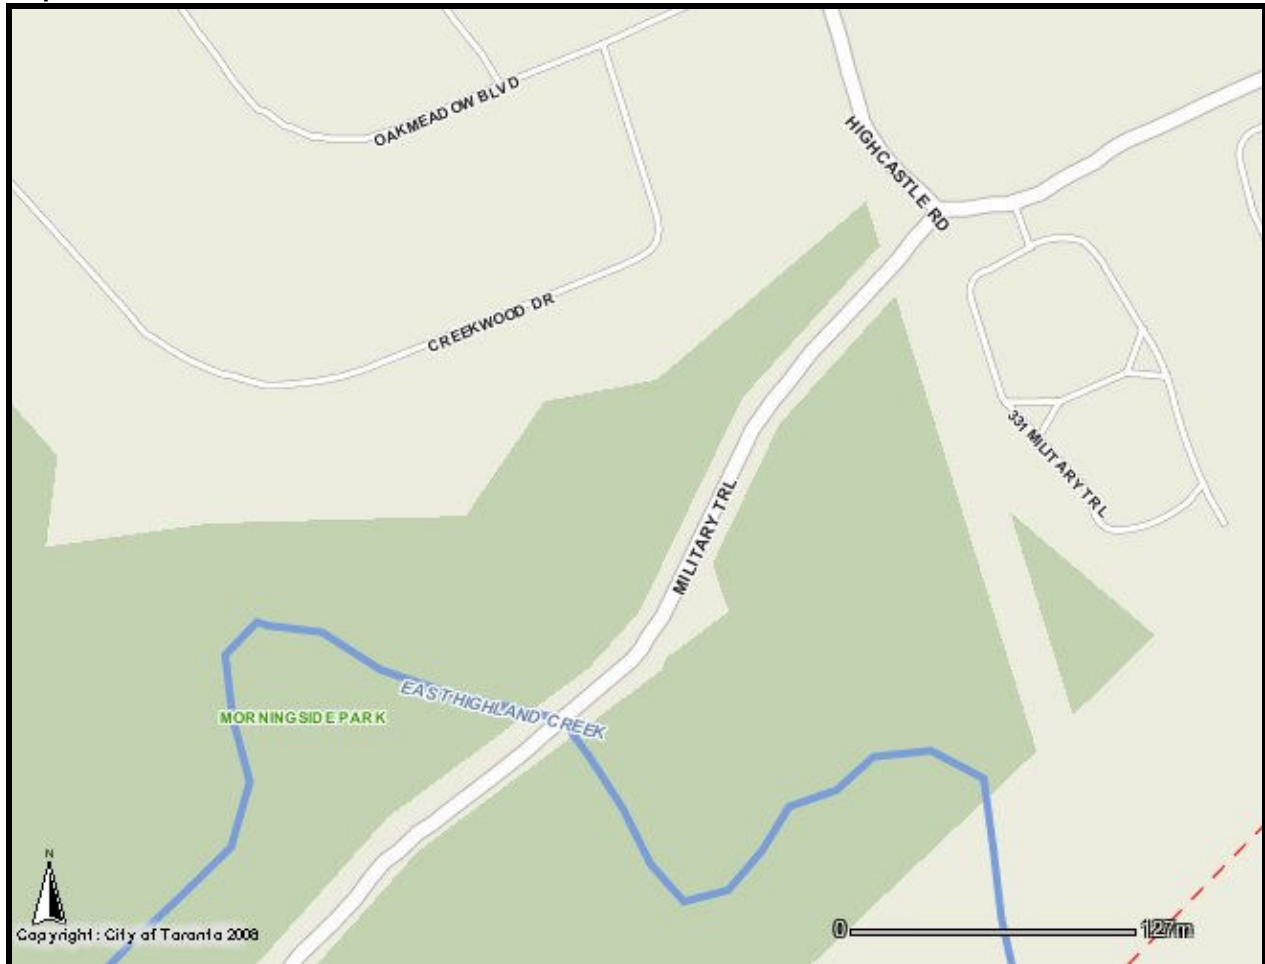

- Scope of work includes pulverizing the existing asphalt and recycling it using cold in place technology.
- Placing a new surface course hot mix asphalt overlay.
- Drainage improvements including new subdrain and catchbasins.
- Shoulder and ditch improvements.
- Temporary lane closures and parking restrictions adjacent to construction zones as required.
Emergency traffic will be maintained at all times.
- The expected start date of construction is August 2009.

Next Steps

- Project design is nearing completion and when complete there will be a public tender call. A contract will be awarded to the firm with the lowest bid price meeting the City's specifications.
