The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved!

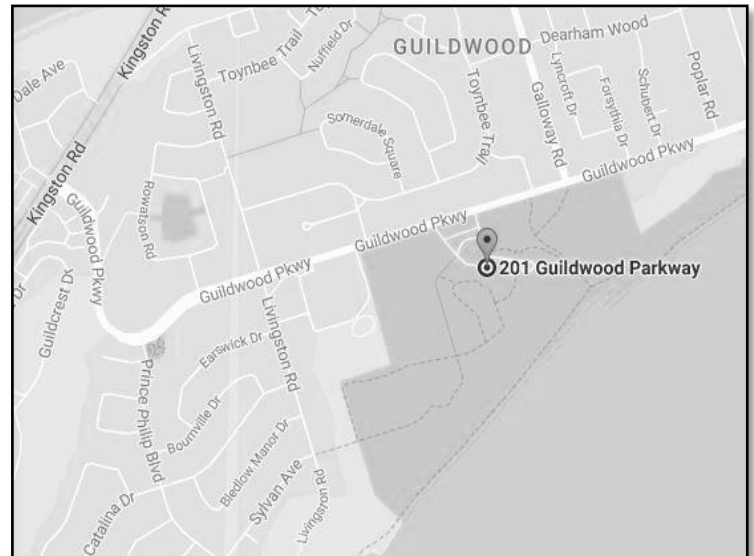

Guild Park and Gardens – Trails Master Plan

Public Information Meeting

City staff in partnership with the Guild Park and Gardens Resource Group and Councillor Ainslie's office have been reviewing opportunities for trail improvements at Guild Park and Gardens. We would like to hear from the community at this point and solidify a shared vision for the updates to the trail system.

The Guild Park and Gardens Management Plan completed in 2014 recommended the completion of a Trails Master Plan. Please join us for a workshop to review the draft recommendations for trail locations and treatments.

The workshop will begin with a presentation, followed by table group discussions to get your input on the various management areas on the site. Two identical workshops are planned beginning at 4:00 pm and at 7:00 pm. Please join us for either session.
